- Initial all to indicate that you have read and understand
- The **Town of Red River** Zoning Ordinance REQUIRES a plot plan with all dimensions identified in the **Setbacks & Locations** section of this application. Such plan or drawing must be attached to this application. (Plot Plan on 8 1/2" X 11" sheet)
  - Statements made in this application shall be made as if under oath and any willfully false statements shall subject the person to the penalties of the Town's and County's ordinances.
  - If you are constructing a New Home or an addition you are required to obtain a building permit from the Town's Building Inspector; regular building inspections are required during construction. **Contact the Town's Building Inspector before you being site work and construction.** Penalties may apply for failure to contact Building Inspection before you begin.
  - I have checked with the DNR and no wetlands are involved with the project for which this permit is requested; and/or if wetlands are a consideration I have received DNR approval to proceed.
  - I have checked with Kewaunee County Zoning and I have the necessary approval and/or permits required. [Note: Kewaunee County Shoreland zoning applies within 1000 ft. of Green Bay and 300 ft. of a navigable stream.]
